

COMPASSMATCH: AN ONLINE IN-KIND CONTRIBUTION MANAGEMENT SYSTEM

EASY. FAST. SECURE.

Many GEAR UP programs struggle to collect, calculate, and report their matching fund contributions. CompassMatch dramatically reduces time and effort on these tasks, and keeps your in-kind data organized and safe.

BENEFITS OF COMPASSMATCH

- Online for easy access by multiple users across wide-area programs
- Employees and program partners enter and verify their own donated time
- Matching funds are automatically computed based on stored salary, benefits, and mileage information
- Grant administrators can track real-time progress toward meeting contribution goals

COMPASSMATCH SYSTEM FEATURES

- User-friendly data entry screens with customized drop-down menus
- Time-saving batch entry function to record service contributions of multiple staff at once
- A variety of preformatted reports, generated on demand
- Batch email functions to send staff automated reminders and notices

WHY CHOOSE COMPASSMATCH?

The annual fee includes:

- System modification to conform to program needs
- Ongoing data formatting and integration
- Monthly online training, as needed
- Secure server webhosting
- Ongoing technical support
